

FOR IMMEDIATE RELEASE | Thessaloniki, Greece – March 2026

Unveiling the Innovators: 9 Consortia Selected to Lead the Future of Evidence-Based Transitional Care

THESSALONIKI — Following a rigorous and transparent expert assessment ([D2.2](#)), EVOLVE2CARE has selected nine pioneering HealthTech mini-consortia to begin real-world pilots. These innovators represent the vanguard of European HealthTech, moving from theoretical design to evidence-validated experimentation.

The Selected Innovators

1 Aumenta Vilanova S.L.	2 Vire Sense	3 Anecoica Studio UG
4 BaMea App	5 KORI EYES TECH	6 m-Path
7 Paperbox Health srl	8 Refleksa Ltd	9 VIDA VO S.A.

Each mini-consortium pairs an innovator with a certified Living Lab, translating the [EVOLVE2CARE Open Call](#) into hands-on experimentation across the three transitional-care use cases.

About EVOLVE2CARE

EVOLVE2CARE is a Coordination and Support Action (CSA) dedicated to strengthening HealthTech experimentation in transitional care. The consortium brings together five leading organisations: Aristotle University of Thessaloniki (AUTH), the European Network of Living Labs (ENoLL), Sploro, Anthology Ventures, and VILABS.

Funding Statement: This project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement N° 101158152.

Media Contact

Project Coordination: Dr. Evdokimos Konstantinidis, Project Coordinator — Laboratory of Medical Physics and Digital Innovation, Aristotle University of Thessaloniki (AUTH) — info@evolve2care.eu

Communication & Dissemination: VILABS — info@vilabs.eu
