The Legacy of EVOLVE2CARE: Paving the Pathways to Impact for European Transitional Care

THESSALONIKI — As EVOLVE2CARE (Grant Agreement 101158152) concludes its 24-month journey, the consortium has unveiled its Key Exploitable Results (KERs). These assets, categorized into Tier 1 (Commercial Assets like the [AccelUP Marketplace](#)) and Tier 2 (Public Assets like the KPI Framework), ensure the project's impact continues through the **Horizon Results Platform**.

The project's legacy is defined by its contribution to the [European Open Science Cloud \(EOSC\)](#) and the professionalization of the Living Lab value proposition. By integrating results into [Zenodo](#) and the [Horizon Results Booster](#), EVOLVE2CARE provides a permanent infrastructure for future HealthTech innovators.

The [Final Event](#), held online on 16 September 2026, showcased results from Open Call participants, an Advisory Board discussion on the future of transitional care, and the project's tools and outcomes.
